Highlands appoints new Director

Highlands Pacific Limited (ASX:HIG) has today appointed Mr John Wylie as a Non-Executive Director. Mr Wylie replaces Mr Mike Carroll, who has retired from the Board.

Mr Wylie joins the Board as a nominee of the PNG Sustainable Development Program (“PNG SDP”), which holds an 11% interest in the Company.

Chairman Ron Douglas said the Board was delighted to welcome John Wylie to Highlands. “John’s outstanding experience as a consultant and adviser across Australia and Papua New Guinea will serve Highlands well in the coming years.

“The appointment reflects the Company’s commitment to its Board renewal process and further strengthens the relationship between the PNG SDP and Highlands, which dates back to 2012 when a PNG SDP nominee first joined the Highlands Board,” Mr Douglas said. “The Company would also like to thank Mike for his dedicated service and invaluable contribution to the development of Highlands Pacific since his appointment in 2008. We wish him well.”

Mr Wylie is a very experienced corporate executive and funds manager, having worked on operational, strategic, transaction and policy issues in Australia, PNG, North America, Asia and Europe.

He holds a Masters degrees in economics from Cambridge University as well as degrees in business administration from Yale University and applied finance from Macquarie University.

He has been Chief Executive Officer of the PNG SDP since 2016, and in his long career he also has worked as Assistant Secretary of the Australian Department of Prime Minister and Cabinet, Chairman of PNG Forest Products and Founder and Managing Director of Inglewood Farms. He also spent 17 years as a senior Management Consultant with major exposure to the mining industry.

Mr Wylie said he was excited to join the Board of Highlands. “I look forward to working with my fellow directors to maximise the value of the Highlands assets and deliver the best results for shareholders. Highlands and the PNG SDP have long shared a common goal of developing Papua New Guinea’s human and natural resources,” he said.

Mr Wylie, appointed to fill a casual vacancy, is required to retire at the Annual General Meeting to be held on 18 May 2017 and is eligible to stand for election. The amended Notice of Annual General Meeting and Proxy Form which includes a resolution for the election of Mr Wylie as director is attached to this announcement and will be dispatched to shareholders. If Mr Wylie is elected at the Annual General Meeting, he will be subject to a removal resolution at the Special Meeting to be held immediately thereafter. The Special Meeting is to consider a Board spill motion that has been proposed by Highland's 13.89% shareholder, PanAust Ltd, a wholly-owned subsidiary of the Chinese government owned Guangdong Rising Assets Management Co Ltd.

Mr Douglas said he looked forward to working with PNG SDP's support, towards an outcome that would see the Board spill motion withdrawn and a revitalised Highlands Board focused on delivering value for all Highlands shareholders.

Highlands Pacific is a mining and exploration company registered and incorporated in PNG and listed on the Australian and Port Moresby stock exchanges. Highlands has a long history of successful exploration and project development in PNG. The Company was formed in 1997 and has since established an impressive suite of projects providing investors with leveraged exposure to copper, nickel and gold. Its major assets are interests in the producing Ramu nickel cobalt mine and the Frieda River copper gold project, with exploration in progress at the highly prospective Star Mountains tenements. Highlands also has exploration territory on Normanby Island (Sewa Bay), at the south eastern tip of PNG. Through the efforts of its highly experienced staff, the Company is committed to the responsible development of mining projects for the benefit of all its stakeholders, including shareholders, landowners, business partners and the broader PNG community.

Star Mountains Prospects

The Star Mountains exploration tenements are located approximately 20km north of the Ok Tedi mine, in the West Sepik Province, PNG. The Star Mountains project is held within a joint venture with partner Anglo American plc.

Ramu Nickel Cobalt Mine

The producing Ramu nickel cobalt mine is located 75km west of the provincial capital of Madang, PNG. Highlands 8.56% interest in Ramu will increase to 11.3% at no cost to Highlands after repayment of its share of the project debt. Highlands also has an option to acquire an additional 9.25% interest in Ramu at fair market value, which could increase the company's interest in the mine to 20.55%, if the option is exercised.

Frieda River Copper/Gold Project

The Frieda River copper gold project is located 175kms north-west of the Porgera gold mine and 75km north-east of the Ok Tedi mine. Highlands has a 20% interest in the project and Frieda River Limited (FRL) (a wholly owned subsidiary of PanAust Limited which in turn is a wholly owned subsidiary of Guangdong Rising Assets Management Co. The Board recommends the re-election of Mr Philemon as a Director.

RESOLUTION 3 ELECTION OF DIRECTOR – RONALD DOUGLAS

Mr Douglas is an engineer by training and has more than 30 years' experience in senior management in the mining industry. In his long career, Mr Wylie has held the position of Assistant Secretary of the Australian Department of Prime Minister and Cabinet, Chairman of PNG Forest Products and Founder and Managing Director of Inglewood Farms. He also spent 17 years as a senior Management Consultant with major exposure to the mining industry. Mr Wylie has been the Chief Executive Officer of PNG SDP since 2016.

The Board recommends the election of Mr Wylie as a Director.

RESOLUTION 6

APPROVAL OF PERFORMANCE RIGHTS PLAN

Resolution 6 seeks shareholder approval under ASX Listing Rule 7.2 Exception 9(b) for the Highlands Pacific Performance Rights Plan (**Plan**), the terms of which are set out in Attachment A. By obtaining approval under these Listing Rules any performance rights (**PR's**) or securities issued are excluded from the "15% rule" limit applicable to ASX Listing Rule 7.1 (Listing Rule 7.1 places an annual general limit on capital raisings of 15%).

Highlands' shareholders most recently approved the Plan on 22 May 2014. The Plan is unchanged to that approved in 2014, but must be put to shareholders for approval every three years so that any securities granted or issued by Highlands under the Plan do not count towards the Company's 15% annual limit under ASX Listing Rule 7.1.

An effective long term equity incentive scheme is considered a key component of present-day executive remuneration practices. Highlands wishes to maintain competitive senior executive remuneration practices and wishes to offer balanced and appropriately targeted equity incentives to its executives.

Information relevant to Resolution 6 is as follows:

Identity of persons entitled to participate in the Plan

The Managing Director and other executives who are employed by Highlands on a full-time basis are entitled to participate in the Plan. However, any PR's or securities issued to the Managing Director will be subject to further shareholder approval (see Resolution 7).

Performance rights already issued

Since 22 May 2014, being the last date shareholders approved the Plan, 9,450,000 PR's have been issued to the Managing Director position. The PR's were issued, subject to shareholder approval, for no consideration and to date 3,262,500 have vested and been exercised while 1,087,500 have lapsed leaving 5,100,000 remaining unvested.

A further 20,615,000 PR's were issued to eligible participants for no consideration and to date 4,876,250 have vested and been exercised while 3,688,750 have lapsed leaving 12,050,000 remaining unvested.

Voting exclusion

In accordance with Listing Rule 14.11, Highlands will disregard any votes cast by any Director who is eligible to participate in any Plan and any associate of the Director in respect of this resolution (the only eligible Director is Mr Lennon as he is the only Executive Director).

Director's recommendation

Each of the Directors (other than Mr Lennon) recommends the approval of the Plan. Mr Lennon makes no recommendation in view of his personal interest in the outcome. None of the Directors (other than Mr Lennon) have an interest in the outcome of the resolution.

RESOLUTION 7

APPROVAL OF ISSUE OF PERFORMANCE RIGHTS TO MANAGING DIRECTOR

The purpose of Resolution 7 is to approve the grant of 2,200,000 performance rights (**PR's**) to Mr Lennon, the Managing Director of Highlands under the Highlands Pacific Performance Rights Plan (**Plan**).

The number of PR's has been set upon the recommendation of the company's remuneration advisors, who have been engaged independently of management by the Board's Remuneration Committee. The PR's represent in total shares to the value of A\$150,000, as determined by the volume weighted average price of our shares for the 5 days ending 17 March 2017, the last practicable date which we could use to enable the performance rights to be valued and included in the Notice of Meeting.

The Board wants to ensure that the remuneration of Highlands' executives is in line with the market and that there is an effective incentive for the executives to improve Highlands' performance and the value of investments of the shareholders. The Board has sought independent external guidance in making its determination, both in the form of equity incentive and the quantum, in conjunction with the overall remuneration package offered to employees and the Managing Director.

As Mr Lennon is a Director of Highlands, shareholder approval is required under ASX Listing Rule 10.14 before any issue of securities, such as PR's, can be made.

Subject to approval by shareholders, the Board proposes that the PR's be issued to Mr Lennon under the Plan and on the terms detailed below. In the Board's view the performance hurdles, which must be satisfied before the PR's are exercisable, link the ultimate value of the PR's to the Total Shareholder Returns (TSR).

The PR's are granted in one tranche with a vesting period and associated performance condition over a three year time period.

In accordance with ASX Listing Rules 10.14 and 10.15, the following information is provided for shareholders:

Terms of the Issue

The terms and conditions are detailed below:

Number of Rights	2,200,000
Exercise Price	Nil

Vesting Conditions

The ability of the PR's to be automatically exercised is dependent on:

- (a) Mr Lennon meeting the Service Condition; and
- (b) Highlands Pacific meeting the March 2017 Performance Rights Offer Performance Conditions as set out below.

Service Condition

The Service Condition is that Mr Lennon must still be employed by a member of the Highlands Pacific Group on the Exercise Date (31 December 2019) for the PR's to vest.

Performance Conditions

In addition to the Service Condition the PR's will only vest once the Board advises that the March 2017 Performance Rights Offer Performance Conditions have been satisfied. The number of PR's available to vest subject to these conditions is set out in the following table.

Performance Condition Description	Maximum Number of PR's subject to the Performance Condition
1 HIG TSR matching a Peer Group as recommended by independent external consultants over the 3 calendar year period to the end of 2019 of 550,000 rising to 1,100,000 for top quartile performance for that period.	1,100,000
2 Pro-rata lineal performance of the Company market capitalisation from that of 1 January 2017 towards the strategic target of AU\$250 million by the end of 2020, adjusted for any securities issued.	1,100,000
Total	2,200,000

In any event, the Board's decision is final in determining satisfactory performance of each performance condition. PR's that do not vest on the Vesting Date will lapse. There will be no retesting.

Highland Pacific Total Shareholder Return (TSR) vs Peer Group (Performance Condition 1)

The above Performance Condition will be measured by an independent third party over the Performance Period (1 January 2017 to 31 December 2019).

Market Capitalisation Growth (Performance Condition 2)

The above Performance Condition will be measured by an independent third party over the Performance Period (1 January 2017 to 31 December 2019) using the reference points of the market capitalisation of the Company at those times in relation to the strategic target of a market capitalisation for the Company of AU\$250 million by the end of 2020, adjusted for any securities issued.

Vested PR's will be automatically exercised on the Vesting Date. On exercise shares will be registered.

Participants are specifically prohibited from hedging their Highlands Pacific share price exposure in respect of their PR's during the Performance Period.

Additional Information

No. of PR's	Estimated Value per PR	Total Value of PR's
2,200,000	AU\$0.05565	AU\$122,430

The total value is based on the fair value of the entitlement, assuming Mr Lennon successfully completes the service period condition and, vesting conditions.

Valuation assumptions include:

- Stock volatility: 65%
- Risk Free Rate: 2.0%
- Dividend Yield: 0.0%
- Index volatility: 20%
- Correlation Highlands to Index: 0.20
- Expected Life: Grant date to 31 Dec 2019
- Highlands Share Price: AU\$0.067 (17th March 2017)

The benefit of the proposed PR's to be granted to Mr Lennon, subject to the passing of this resolution, will depend on the achievement of the vesting conditions consisting of continuous service and external performance conditions and Highlands' future share price. Assuming all conditions are met and estimating the future Highlands' share price, the dollar value of the benefit to Mr Lennon and the value compared to the growth in Highlands' market capitalisation with constant capital assumed would be as follows:

Future Highlands Share Price	Total PR grant benefit (potential 100% vested) [A]	Growth in Market Capitalisation of Highlands* [B]	% of increase value [A] / [B] x 100%
AU\$0.10	AU\$220,000	AU\$ 30.7m	0.72%
AU\$0.20	AU\$440,000	AU\$124.3m	0.35%
AU\$0.25	AU\$550,000	AU\$171.1m	0.32%
AU\$0.30	AU\$660,000	AU\$217.9m	0.30%
AU\$0.40	AU\$880,000	AU\$311.5m	0.28%

* Based on a share price of AU\$0.067 (17th March 2017) and 935,915,836 shares on issue (17th March 2017) – assumed unchanged for this purpose.

Mr Lennon currently holds 3,550,000 shares and 3,200,000 PR's with details as follows:

No. of PR's	Exercise Price (AU\$)	Vesting Date	Expiry Date	Vested (Y/N)
3,200,000	Performance Hurdle based Nil	31 Dec 2017	31 Dec 2017	N

Identity of persons entitled to participate in the Plan

The Managing Director, Mr Lennon, is entitled to participate in the Plan; however, any performance rights or securities issued to Mr Lennon will be subject to shareholder approval. No other Directors of the Company are entitled to participate in the Plan.

Maximum number of PR's that may be issued

The maximum number of PR's that may be acquired by Mr Lennon under this resolution is 2,200,000 and which if vested and exercised by Mr Lennon, will entitle him to acquire 2,200,000 shares.

Consideration of PR's

The PR's will be issued for nil consideration.

Use of funds raised

As the PR's have a nil exercise price there will be no funds raised on exercise.

Terms of any loan in relation to the acquisition

No loan will be provided by Highlands in relation to the grant or exercise of the PR's.

Issue Date

The PR's, if approved, will be issued by the Company to Mr Lennon within three months of shareholders' approval.

Effect of the proposal

If all of Mr Lennon's PR's are exercised, based on the current number of issued shares in Highlands, he would hold approximately 0.95% of the issued shares in Highlands.

Shareholders should note that if Mr Lennon exercises all of his PR's, it will have a small diluting effect on existing shareholders' interest.

Issue of options since last approval

No persons referred to in listing rule 10.14 have received securities under the Plan referred to in this resolution since the General Meeting of 21 May 2015 – Resolution 6.

Voting exclusion

In accordance with Listing Rule 14.11, Highlands will disregard any votes cast by a Director of the entity, except one who is ineligible to participate in any employee incentive scheme in relation to the entity and an associate of that person (or those persons).

Directors recommendation

Each of the Directors (other than Mr Lennon) recommends the issue of the PR's to Mr Lennon for the reasons set out above and recommends that you vote in favour of this resolution. Mr Lennon makes no recommendation in view of his personal interest in the outcome. None of the Directors (other than Mr Lennon) have an interest in the outcome of the resolution.

- 3.1 The Board may make offers from time to time to Eligible Employees to participate in the Plan.
- 3.2 The Board has absolute discretion:
 - (i) as to whom offers are made, but offers can only be made to Eligible Employees; and

- 4.3 By lodging the completed and signed Acceptance in accordance with Rule 4.1, the Participant agrees to acquire the Performance Rights and to be bound by these Rules as amended from time to time.
- 4.4 Notwithstanding any other provision of this Plan, a Participant has no entitlement to be granted any Performance Rights unless and until such Performance Rights are granted.

5. Performance Conditions

- 5.1 At the end of any Performance Period, the Board will determine the outcome of any Performance Conditions. The determination may include (without limitation):

- 5.3 Notwithstanding any other provision of these Rules, the Board may waive, amend or replace any performance or other measure in a Performance Condition attaching to a Performance Right if the Board determines that the original Performance Condition is no longer appropriate or applicable (for instance, if a particular stock market index is no longer published, there are extraneous economic circumstances or there is a corporate action, including a discounted rights issue, which impacts on the performance measure), provided that the interests of the relevant Participant are not, in the opinion of the Board, materially prejudiced or advantaged relative to the position reasonably anticipated at the time of the grant.

6. Consideration

Performance Rights will be issued for no consideration unless otherwise determined by the Board and set out in the terms of issue specified under Rule 3.1.

7. Restriction on transfers of Performance Rights

7.1 The Participant must not Deal with any Performance Rights without the prior approval of the Board.

8. Lapse of Performance Rights

8.1 A Participant's Performance Rights lapse on the earliest to occur of:

- (i) a determination that the Performance Rights lapse under Rule 5; and
- (ii) the breach by the Participant of any obligation arising under these Rules, including any purported transfer of its Performance Rights other than in accordance with Rule 7.

9. Takeovers, Schemes of Arrangement and Winding-up

9.1 If:

- (i) the Board recommends that a Takeover Offer be accepted; or
- (ii) a Takeover Offer is declared unconditional,

all unvested Performance Rights will vest on the earlier of these two dates.

9.2 Where, pursuant to Rule 9.1 Performance Rights vest, the Board must as soon as practicable give written notice to each Participant.

9.3 If Rule 9.1 applies, any restrictions on Dealing imposed on Shares issued on vesting of Performance Rights will cease to have effect.

11. Overriding Restrictions on Issue and Vesting

- 11.1 Despite any Rule or the terms of any Performance Right, no Performance Right may be offered, issued or vested if to do so would contravene any applicable law or where compliance with any applicable law would in the opinion of the Board be unduly onerous or impractical.
- 11.2 The number of Performance Rights which may be granted under the Plan must not exceed (assuming all outstanding Performance Rights were exercised), when aggregated with any shares issued during the previous 5 years pursuant to any other employee share scheme operated by the Company, a maximum of five percent (5%) of the total issued capital of the Company at the time of the grant of the Performance Rights, with unregulated offers excluded.

12. Adjustments under certain events

- 12.1 If, at any time when Shares are traded on the ASX:
- (i) shares are issued pro rata to the Company's shareholders generally by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment) involving capitalisation of reserves or distributable profits; or
 - (ii) shares are issued pro rata to the Company's shareholders by way of a rights issue; or
 - (iii) the number of Performance Rights to which each Participant is entitled; or
 - (iv) the number of underlying Shares to which each Performance Right confers an entitlement; or
 - (v) any amount payable on vesting of the Performance Rights; or
 - (vi) where appropriate, a combination of (iv), (v) and/or (vi) above,
- will be adjusted in the manner determined by the Board to ensure that no advantage or disadvantage accrues to the Participant as a result of such corporate actions having regard, where appropriate, to the principles underlying any applicable ASX Listing Rules.
- 12.2 Subject to Rule 3, upon any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the vesting of a Performance Right, the terms of the Performance Right, including the amount (if any) payable on vesting of the Performance Right, are to be reconstructed to the extent necessary to comply with any Listing Rules applying to a reorganisation of capital at the time of the reorganisation. Subject to the provisions with respect to the rounding of entitlements as sanctioned by the meeting of shareholders approving such a capital reorganisation, in all other respects the terms for the vesting of Performance Rights are to remain unchanged.

Any adjustment to the terms of the Performance Rights under Rule 12.2 may not be made if it would result in any benefits being conferred on the Participant which are not conferred on the Company's shareholders generally.

13. Taxes or social security contributions

- 13.1 Stamp duty or any similar tax which may be assessed, paid or payable in respect of any document or documents executed in connection with the Plan (other than any share transfer) is payable by the Company within the time prescribed by law.

- 13.3 Where the Company, or a Subsidiary, must account for any tax or social security contributions (in any jurisdiction) for which a Participant is liable because of the issue or transfer of Shares, or the vesting of a Performance Right, either the Company or Subsidiary may withhold the amount assessed in its discretion or the Participant must, prior to the Participant's Shares being issued or transferred or cash being paid to the Participant, or the Performance Right vesting, either:
- (i) pay the amount assessed to the Company; or
 - (ii) make acceptable arrangements with the Company for the amount assessed to be made available to the Company.

- (iii) affects the rights of any company in the Group to terminate the employment or office of a Participant or an Eligible Employee (as the case may be);

- (ii) No amendment of these Rules or to Performance Rights and Shares issued on vesting of Performance Rights granted under the Plan may be made if the amendment materially reduces the rights of any Participant (unless agreed by the Participant) in respect of Performance Rights and Shares issued on vesting of Performance Rights granted to them prior to the date of the amendment other than an amendment introduced primarily:
 - (a) for the purposes of complying with or conforming to present or future legislation governing or regulating the Plan or like plans;
 - (b) to correct any manifest error or mistake;

- (v) As soon as reasonably practicable after making any amendment of these Rules or the terms and conditions of Performance Rights and Shares issued on vesting of Performance Rights granted under the Plan the Board will give notice of the amendment to any Participant affected by the amendment. Failure by the Board to notify a Participant of any amendment will not invalidate the amendment as it applies to that Participant.
